

2026  
**DELIVERING  
THE DREAM**  
NATIONAL DISASTER RESILIENCE CONFERENCE

**Sponsorship Opportunities**

*November 18-19, 2026*

*Clearwater Beach, FL*

# BACKGROUND

The nonprofit [Federal Alliance for Safe Homes \(FLASH\)](#) presents the annual [National Disaster Resilience Conference \(NDRC\)](#)—a premier event uniting the nation’s leading voices in disaster safety and resilience.

NDRC26 will take place in Clearwater Beach, Florida, from November 18–19, 2026. Expert speakers will showcase breakthrough ideas and the latest innovations in engineering, science, policy, and practical programs that create resilient communities. Through keynote presentations, discussion panels, spotlight sessions, breakout tracks, and collaborative dialogue, attendees gain actionable insights that can be applied immediately in their work and communities.

For more than two decades, NDRC has convened a dynamic cross-section of professionals, including design experts, emergency managers, financial services leaders, first responders, futurists, housing specialists, insurers, journalists, meteorologists, product manufacturers, risk communicators, scientists, social psychologists, and volunteers. This powerful mix of perspectives makes NDRC a must-attend event for those shaping the future of resilience.

We invite you to sponsor this unique gathering. Sponsorship positions your organization at the forefront of the disaster resilience movement—providing high-impact visibility among a highly engaged, multidisciplinary audience committed to advancing safer, stronger communities. As a sponsor, you will have the opportunity to:

- Elevate your brand alongside trusted leaders in disaster safety and resilience
- Showcase your expertise, products, and solutions to key decision-makers
- Build meaningful connections with partners, policymakers, and practitioners
- Demonstrate your commitment to innovation, preparedness, and community resilience

Join us in convening the ideas, partnerships, and leadership needed to drive resilience forward.
